

## NORTHERN DISTRICTS CRICKET

Northern Districts Cricket Association presents an opportunity for four suitably qualified people to join its Board. A list of desired attributes include:

- A minimum of two (2) female directors
- A minimum of one (1) director having strong high-performance sport knowledge (cricket preferred)
- A minimum of one (1) director having strong organisational change/Human Resource experience
- A minimum of one (1) director having willingness and appropriate experience to chair
- A minimum of one (1) director having community sport knowledge (cricket preferred)
- A minimum of one (1) director having strong health and safety, and risk management experience in the sporting organisation or not-for-profit sector.

The ND Board, over time, wishes to be more representative of its constituents. That is, ND Cricket would like to see a Board that has representation from both genders, from different age brackets, and include a mix of ethnic groups including Maori.

The capacity to commit a reasonable amount of unpaid time and energy is also assumed to be a given for people looking to secure a place on the ND Board.

To apply please email your covering letter and CV to Chief Executive [ben@ndca.co.nz](mailto:ben@ndca.co.nz) by COB Friday 11<sup>th</sup> October 2019.
